

Developing Policy Guidelines

Proposal Title: [A compelling title that succinctly highlights the focus of the proposal.]	
Presented to: [Name of the lawmaker or legislative body]	
Date : [Submission Date]	
Préparée par : [Your Organization's Name]	

Provide a brief overview of the issue of childhood sexual violence and/or your specific topic area.	
Provide a summary of the key recommendations proposed.	
Provide a statement on the urgency and importance of the proposed actions.	

Literature Review/Evidence Base

Present statistics and trends to underscore the magnitude of childhood sexual violence.	
Share details on the various health, economic, social, and other impacts of childhood sexual violence.	
Summarize research findings on the effectiveness of various prevention and intervention strategies.	
Highlight case studies or examples of successful policies implemented in your state or by other governments.	

Policy Recommendations

Legal Framework: Propose specific laws or amendments to criminalize all forms of sexual violence against children, improve reporting mechanisms, and ensure offender accountability.	
Support Services: Recommend the establishment or expansion of services for victims, including counseling, legal assistance, and rehabilitation programs.	
Prevention and Education: Advocate for the integration of child safety and rights education into school curriculums and community programs.	
Research and Data Collection: Suggest initiatives for ongoing data collection and research to inform future policy and program decisions.	

Implementation Strategies

Outline potential steps for the implementation of the recommended policies, including timelines and responsible parties.	
Discuss the role of various stakeholders, including government agencies, nonprofits, and community organizations, in implementing and supporting the proposed measures.	

Funding Considerations

Provide an estimate of the financial resources required to implement the proposed policies.	
Suggest potential sources of funding, including government budgets, grants, and partnerships.	

Potential Challenges and Solutions

Identify possible obstacles to the adoption or effectiveness of the proposed policies.	Offer solutions or strategies to overcome these challenges.
[Challenge #1]	
[Challenge #2]	
[Challenge #3]	
[Challenge #4]	

Conclusion

Summarize the key points made in the proposal.	
Reinforce the importance of taking action to address childhood sexual violence.	
Highlight the support the lawmaker(s) or legislative body will receive from your organisation or network.	
Draft language for a request from the lawmaker(s) or legislative body to consider and adopt the proposed measures.
