

Childhood sexual violence
feeds on inequities related to
race and gender,
disproportionately affecting
some communities

#EndChildhoodSexualViolence

WE ARE **BRAVE** SO THAT CHILDREN CAN BE **SAFE**

**Almost 80% of 18 year olds
belonging to an ethnic or racial
minority experienced **sexual
harm in childhood****

#EndChildhoodSexualViolence

Identity & violence

Many male survivors
don't report their experiences
due to a **culture of silence** and
shared concepts about
masculinity

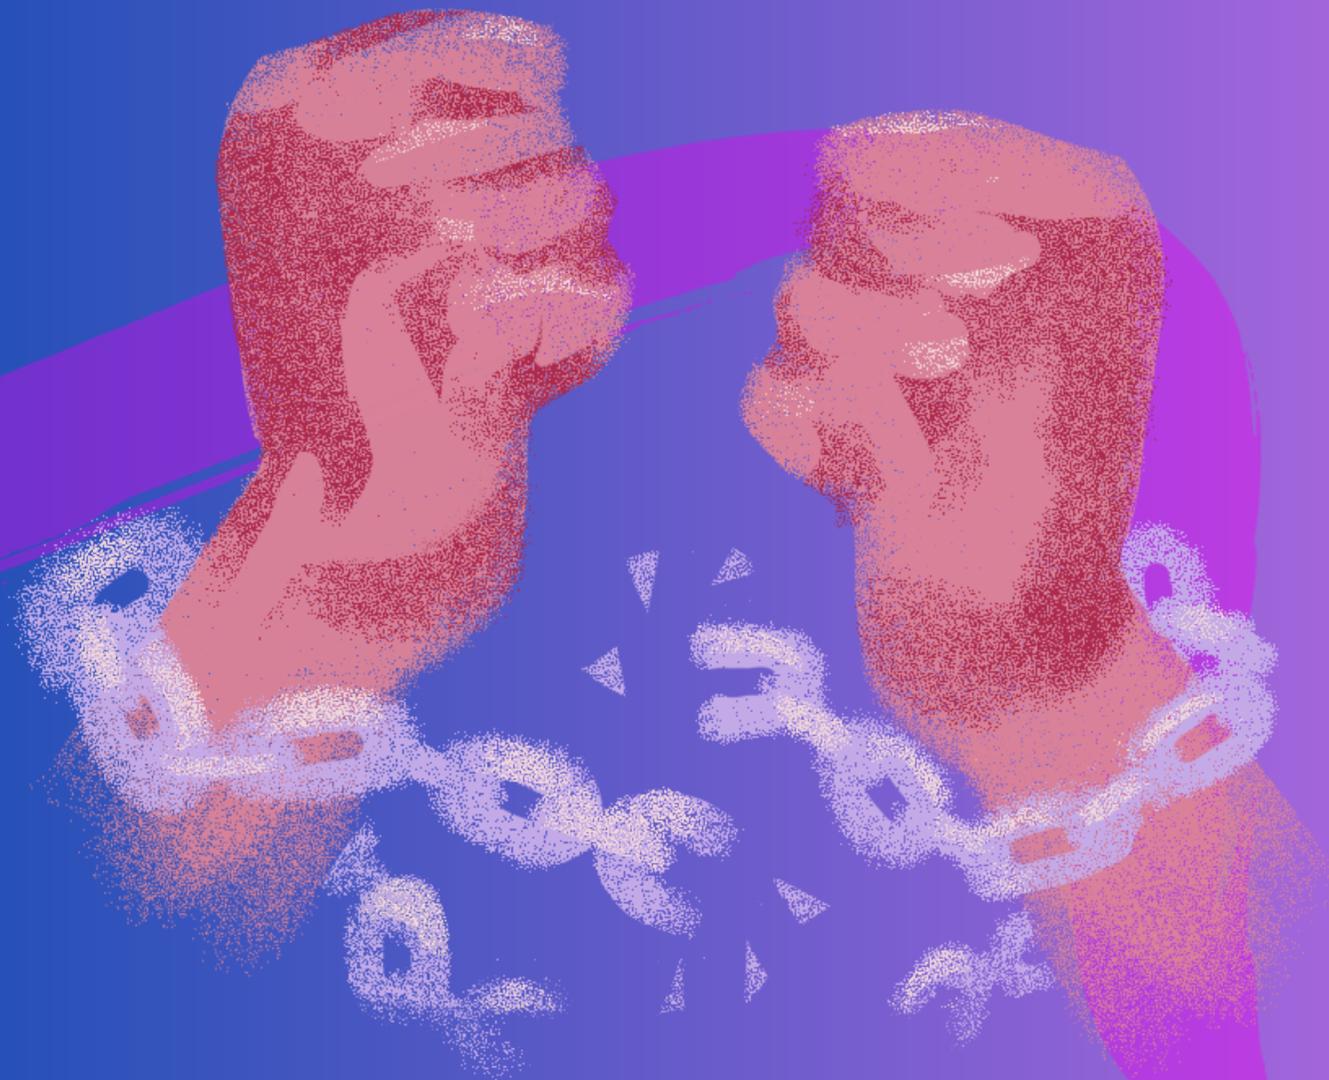

#EndChildhoodSexualViolence

WE ARE **BRAVE** SO THAT CHILDREN CAN BE **SAFE**

Identity & violence

Girls and women
face **damaging beliefs** that
violence against them is normal
and expected

#EndChildhoodSexualViolence

WE ARE **BRAVE** SO THAT CHILDREN CAN BE **SAFE**

Identity & violence

People who identify as gay,
lesbian, bi-sexual, and
transgender have higher rates
of sexual violence
